

## **Remarks**

### **1. Summary of Office Action**

In the final office action, the Examiner rejected claims 8, 10-12, 25, and 28-29 on grounds of obviousness over a combination of U.S. Patent Application Pub. No. 2005/0101333 (Raith) and U.S. Patent Application Pub. No. 2002/011154 (Eldering), and the Examiner rejected claims 13-14 and 27 on grounds of obviousness over a combination of Raith, Eldering and U.S. Patent Application Pub. No. 2004/0267440 (Dekock). Further, the Examiner allowed claims 1-3, 19-24, 30, and 32-34.

### **2. Status of the Claims**

By this response, Applicant has cancelled claims 8, 10-14, 25, and 27-29, and Applicant has added new claims 35-37 depending ultimately from allowable claim 30. Thus, now pending in this application are claims 1-3, 19-24, 30, and 32-37, of which claims 1 and 30 are independent and the remainder are dependent.

### **3. Response to Rejections**

Applicant has cancelled the rejected claims in order to expedite prosecution. By canceling these claims, Applicant does not acquiesce in the claim rejections.

### **4. Conclusion**

Now pending are allowed claims 1-3, 19-24, 30, and 32-34 and newly added claims 35-37 which depend from the allowed claims and are therefore allowable as well. Since all of the pending claims are now allowed or allowable, Applicant respectfully requests the Office to mail a notice of allowance.

Should the Examiner wish to discuss any aspect of this application, the Examiner is welcome to call the undersigned at (312) 913-2141.

Respectfully submitted,

**McDONNELL BOEHNEN  
HULBERT & BERGHOFF LLP**
